Proxy Vote	

Postal votes are designed for members who cannot be sure that they will be able to attend and vote in person on the either of the two designated polling days – Saturday 23 December 2017 and Monday 1st January 2018.

Once you have had a postal vote issued you will not be able to vote in person on polling day. Postal Votes will be issued to the address recorded on the membership database. Postal votes must be returned to the official return address by **5.00 p.m.** on **Monday 1st January** either by post or by hand. Any postal ballot papers received after that date will be rejected. Postal votes will be issued in the week beginning 17th December.

Please only request a postal vote if you really need one due to the time and cost involved in issuing them.

A proxy vote allows someone else to vote in person on polling day on your behalf. If you appoint a proxy but at a later date decide that you can attend and vote in person you can still do so provided that your proxy has not already attended and voted on your behalf. The proxy must also be a member of the Supporters Trust.
