1 Introduction

At the Supporters Trust Special General Meeting on 25th April 2024 the following Resolution (resolution 3) was passed:

'Supporters Society Policies: that the Directors of the Society are charged with publishing, within three months of the said election[1] being concluded, a comprehensive list of policies which it proposes to develop for consultation with and agreement by the membership. These policies will ensure that the Society is compliant with the provisions of its own Rules, will meet the expectations of the Football Supporters Association as our national advisory body, and will meet the expectations of the membership. The development of, and consultation with the membership on those policies, may be actioned in phases over a period of time. Policies for (1) financial contributions to be made to Newport Association Football Club Ltd and (2) transparency in the governance of the Society, should be included within the first phase of policies to be so developed.'
